

The Open Secret: The Open Secret of Spiritual Awakening

By Tony Parsons

Yogi Impressions Books Pvt. Ltd., Mumbai, India, 2015. Softcover. Book Condition: New. First Edition. "Throughout my early life I felt that there was another possibility that, once realised, would transform all and everything. One day that possibility became a reality, and it was simple and ordinary, magnificent and revolutionary. It is the open secret that reveals itself in every part of our lives. But realisation does not emerge through our attempts to change our lives; it comes as a direct rediscovery of who it is that lives. The past and future are simply part of the drama that keeps us locked into the illusion of being separate entities. Once the gate has opened into another possibility, then the real adventure begins." Printed Pages: 118.
