Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.It never really occurred to the Home Office that a spy would live long enough to retire! April 1952, Richard Burns had spent his entire life looking over his shoulder, now he couldn t; the onset of osteoarthritis denied him that ability. Wasting away his last remaining years in a shabby bed-sitting room overlooking a funeral parlour s back yard, he decided enough was enough and bit down on his suicide pill. It turned out to be an aspirin. A chance meeting with Dr. Paul Stoneman, the ex-Secret Service Medical Officer, led him to the Twilight Home for Retired Gentlemen. Here he expected to die of boredom watching people disintegrate before him. He couldn t have been more wrong. The home operated on a shoe-string, the future here was measured in days, weeks at best. Richard s appearance rather ironically brought new life to his fellow guests.
