*Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.*

Parents lash out against the Bradleys with bitter accusations of fracturing their families and teaching their children to hate them. Hiding in plain sight can only go so far when a cartel drug lord, an educational authority, and someone who insists on documenting her own truth prepare for a final showdown. Cherub Bradley s long-anticipated arrival sparks tender and terrifying consequences. Joshua Bradley s call to face the lions leads to fiery confrontations no one expected. Keith determines that it s time for them to stop running, and to make their enemies move instead. Easier said than done, if one distraught parent s confession is true. The full force of the US and Mexican governments might rise up in answer to the cries of a cult putting children in danger.
