The Science and Practice of Farming During 1910 in Great Britain (England, Wales, Scotland) as Seen Through the Scientific and Agricultural Press (Classic Reprint) (Paperback)

By International Institute of Agr Practice

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Science and Practice of Farming During 1910 in Great Britain (England, Wales, Scotland) As Seen Through the Scientific and Agricultural Press This volume was originally intended for the first of a series of Bulletins by the Intelligence Office of the International Institute of Agriculture. It has been thought expedient to issue instead Monthly Bulletins of the Intelligence Office in a brief form, giving information gathered from the current literature of all Nations simultaneously, and limiting this international abstracting to what has been published in the month previous to the issue of the Bulletin. The November 1910 number of the Monthly Bulletin is now published, under the title of Bulletin of Agricultural Intelligence and of Plant Diseases. The present volume remains as a sample of a publication illustrating the Science and Practice of Farming in a single Country, during a recent short period of time. The agriculture of Great Britain has for long been of interest to all nations; its study should be especially profitable to-day, when British Agriculture is entering on a period of...
