Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.
(Paula Gutkowski)

GLOBAL CAPITALISM: ITS FALL AND RISE IN THE TWENTIETH CENTURY

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 576 pages. Dimensions: 7.9in. x 5.5in. x 1.5in. Magisterial history. . . one of the most comprehensive histories of modern capitalism yet written. Michael Hirsh, New York Times Book Review In 1900 international trade reached unprecedented levels and the world's economies were more open to one another than ever before. Then as now, many people considered globalization to be inevitable and irreversible. Yet the entire edifice collapsed in a few months in 1914. Globalization is a choice, not a fact. It is a result of policy decisions and the politics that shape them. Jeffry A. Friedens insightful history explores the golden age of globalization during the early years of the century, its swift collapse in the crises of 1914-45, the divisions of the Cold War world, and the turn again toward global integration at the end of the century. His history is full of character and event, as entertaining as it is enlightening. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
