Brand New Book ***** Print on Demand *****.Whether you call them zombies or the infected or creepers, one thing is certain -- the undead changed the world forever for the survivors in these five stories of the zombie apocalypse. The first story in Annie Reed's popular zombie series and the title story in this collection, Patient Z centers on a homeless woman who raids the wrong recycle bin late one night, unleashing a future she never imagined. A young boy wandering the Oregon coast alone finds a friend in Jessie but discovers that friendship in this new world of the infected comes with a heavy price. The petty thief of Ella and Mo runs into a whole different kind of child survivor when he robs the wrong house in Las Vegas. And appearing in this collection for the first time is Annie's brand new story Zombie Parade, a harrowing tale about survival in a New York City overrun by the undead.
