OUR NIG SKETCHES FROM THE LIFE OF A FREE BLACK DOVER AFRICAN-AMERICAN BOOKS

Dover Publications. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.4in. x 5.3in. x 0.4in. I sat up most of the night reading and pondering the enormous significance of Harriet Wilson's *Our Nig*. Author Alice Walker This seminal autobiographical novel, originally published in 1859, is believed to have been the first by an African-American woman. Harriet Wilson's compelling story describes the life of a mulatto girl who, after the death of her mother, is exploited first by a terrifying Northern family for whom she worked and then by an opportunistic husband. A classic of African-American literature, *Our Nig* has made an enduring contribution to understanding the lives of free blacks in the nineteenth century. A fascinating combination of slave narrative and sentimental novel, the story traces the hardships and suffering of Frado, who grows up as an indentured servant to a white family in Massachusetts and spends much of her destitute life wandering through New England. A clear and accurate account of race relations and perceptions of race in the antebellum North, *Our Nig* is essential reading for students of African-American history and culture. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
