Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Francis Bacon: An Account of His Life and Works The present work was undertaken six or seven years ago, at the request of the late Mr. J. R. Green, for the series of Literature Primers. But although the rough draft was prepared as early as 1880, unavoidable delays deferred completion, till Mr. Green's lamented death destroyed the hope that the volume might receive his supervision. In these circumstances it was thought best that, instead of curtailing the work - which, from the first, considerably exceeded the limits of the primer series - it should be amplified and published independently. This ended in its being rewritten on a much larger scale. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
