Rupert is soon thrown out onto the street and finds himself wandering aimlessly in search of shelter. In a series of unfortunate events he is stripped of everything in a street robbery. Clad only in the female clothing that he could find upon the street he is mistaken for a lone woman by two drunken and mercenary sailors. He is kidnapped and spirited aboard a ship, awaking to find himself enslaved amongst a group of similarly unfortunate women. Thrust into a new life as a blackmarket female slave he must guard his secret carefully for fear of discovery and the undoubted consequences should his true gender be revealed. An unknown and frightening future awaits him on a distant shore, but first he must survive the treacherous journey across the seas amidst a hardened crew of testosterone fuelled sailors.
