Brand New Book ***** Print on Demand *****.Excerpt from The Return of Christ The purpose of these brief pages is to deepen conviction and to promote harmony of belief concerning; the return of Christ. While not advocating the details held by any one of the groups into which students of prophecy are divided, the writer emphasizes the substantial elements of truth upon which nearly all agree, and intimates further that the points of divergence are largely those about which the Bible is silent or obscure. Many readers will recognize and welcome the views expressed, and even those by whom they are not fully approved will find in their perusal at least an opportunity of exercising the patience and charity which must be preserved till we all attain unto the unity of the faith, and of the knowledge of the Son of God.
