Excerpt: .from the world, to accomplish his object.; The spare rooms in a house belonging to his benefice, were dedicated to lodging these poor objects, and the whole of his income (retaining a very little for his own necessities,) was applied to maintain them. The deaf and dumb from all parts of Europe became his children and companions: to the poor, it was a mere act of benevolence; he lodged, fed and taught them for years, without subscription or prospect of return, restoring them again to their friends, if either party wished it, after he had relieved the bnrthen of their calamity, by giving them intelligence, and means of occupation. The fame of his wonderful talents in teaching these poor children, procured him many applications from opulent families, from whom he did not scruple to receive any recompence which suited their circumstances; and in a letter to a friend, he mentions this help as enabling him to extend his means to the poor, and to this object, all his means, from whateversource arising, were devoted. In another letter to the same friend, he says, -I cannot, my dear friend, spare the sum you men tion; my fat-nily-this-year has been-very large, and their wants very pressing: I have had but ten louis to spend upon myself. 1 A play, well known under the title of Deaf and Dumb, frequently acted on the English stage, is a translation from ia French play, which records correctly a...
