Brand New Book ***** Print on Demand *****.In the aftermath of Miller s View, twenty-eight-year-old detective Jonathan Miller is back on the case, determined to close the book on a murder that continues to haunt him. He s aided by the same mystical, rose-tinted glasses that helped him before, which provide him crucial clues about other people s past and present actions. As Miller draws close to solving one murder, another bizarre murder is brought to his attention. A young woman is dead, from causes no forensics can detect. Through the information provided by his glasses, Miller suspects a jealous rival and a powerful voodoo priestess. Proving such, however, will be difficult. Rose-tinted visions don t hold up in court, after all. Even as Miller pursues both cases, passion and betrayal surge around him. Soon he ll discover how far people go for love-and how far they ll go for revenge. He ll also uncover a closely held family secret that could change his world forever. Miller s View: A Look into the Darkness continues the adventures of Jonathan Miller and the complex, tangled conspiracy begun in Miller s View. Miller s glasses may give him an edge, but can they help against the dark power of voodoo?.
