Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Oration: Delivered Before the Municipal Authorities of the City of Boston Honored by the request of the City Council to speak, in the name of Boston, on the Fourth of July, it seemed to me proper on that occasion to discuss some of our obligations, as Americans, to other nations and to ourselves. The facts then stated, which bear upon the aid given our country in its Revolutionary struggle, were verified by the examination of original documents in the archives of the State Department at Washington, of the French Ministry of Foreign Affairs at Paris, and of the Spanish government at Seville and Madrid; and also of papers in the hands of the executor of Caron de Beaumarchais, the agent of the first benefactions of France. In giving to Spain the credit of having projected the Armed Neutrality of 1780, I am aware; that I may seem to have differed from many writers on International Law. The statement, however, was not lightly made, nor without documentary evidence to sustain it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
