

My Fortunate Brain Tumor from God

By Dave Jiang

Xulon Press. Paperback. Book Condition: New. Paperback. 496 pages. Dimensions: 8.4in. x 5.5in. x 1.3in. After being diagnosed with an inoperable brain tumor, Dave Jiang started asking some hard questions: Why Me Was the universe just random, or was there reason and purpose behind it What happens at death In the midst of five brain surgeries, radiation treatment and miraculous recovery after 28 days unconscious in a coma, he became motivated to search for something beyond human invention, control and understanding. Disregarding any and all preconceived notions and beliefs from the cultural and religious establishment, his search for empirical and historical evidence for an extraterrestrial deity led him to seek out Buddhists, Hindus, Jews, Moslems, as well as scientists and intellectuals. Researching modern and historically verifiable ancient texts while undergoing myriad medical procedures and enduring increasing pain and impairments, something made itself apparent, leading to viable answers and meditations about Blind Faith, divine sovereignty, the nature of suffering, eternal joy and punishment, and divine calling. Despite never graduating high school, Dave Jiang (barely) completed a Bachelors Degree from Northwestern University in Evanston, IL after cramming a four-year degree into 6 years. After being employed in corporate America by IBM for 2...
