Reviews

*The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
(Prof. Owen Sporer)*

STONED MOON ROBERT RAUSCHENBERG

National Gallery of Australia. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 10.2in. x 8.4in. x 0.2in. In 1969, Robert Rauschenberg was invited by the National Aeronautics and Space Administration (NASA) to witness the launch of the Apollo 11 mission to place man on the moon for the first time. At the end of a decade in which the war in Vietnam and social turmoil in America had left him disillusioned, this scientific and technological marvel gave the artist new hope for the future. That year, in response to the Apollo 11 achievement, and in collaboration with the Gemini GEL print workshop, Rauschenberg created the Stoned Moon series--the title reflecting both the lithographic medium and the moon mission. This publication includes the full Stoned Moon series of 35 lithographs and discusses them in the context of the Apollo 11 mission as well as Rauschenbergs experimental and groundbreaking printmaking techniques. Jaklyn Babington is assistant curator of international prints at the National Gallery of Australia. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
