Comprehension, or the ability to extract information from a text while reading, is an important skill for both your child s educational journey and his or her future. If your child can t comprehend texts, he or she is not able to read to his or her full potential. For this reason, you likely want to include a Comprehension program in your child s curriculum for homeschooling. Fortunately, you can access Modern Curriculum Press (MCP) Comprehension Plus. This homeschool program was designed to help students in elementary-level grades learn how to understand the information included in the texts they read. You can use MCP Comprehension Plus in conjunction with other English/language arts homeschool programs, to ensure your child gets a well-rounded education that primes him or her for advanced instruction.
