

Liquidity Management: A Funding Risk Handbook

By Aldo Soprano

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Liquidity Management: A Funding Risk Handbook, Aldo Soprano, Robust management of liquidity risk within the changing regulatory framework Liquidity Management applies current risk management theory, techniques, and processes to liquidity risk control and management to help organizations prepare in case of future economic crisis and changing regulatory framework. Based on extensive research conducted on banks' datasets, this book addresses the practical challenges and critical issues that frequently go unmentioned, and discusses the recent impact of sovereign crises on banks' liquidity processes and approaches. Market practices and regulatory stances are reviewed and compared to bank treasuries' response to liquidity crunches, refinancing risks are explored in the context of Basel 3, and alternative funding is analyzed in terms of resilience and allocation. Coverage includes the recent crisis, new regulations, and the techniques, processes, and strategies banks use in managing liquidity risk. The 2008 and 2010 crises brought liquidity risk out of the shadows as even profitable and well-capitalized banks were swept away with breathtaking speed. This book reviews modeling and internal process design in the context of the structural change in market conditions on banks' refinancing and control requirements, helping readers...
