By Biraima M Adam

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 158 pages. Dimensions: 8.8in. x 5.9in. x 0.6in. Baggara are legendary nomadic people of Sub Sahara Africa. They inhabit the area historically known as Baggara country between the White Nile and Lake Chad. Baggara people are superb cattle herders, horse riders, and nature's lover. They are great people with unmatched sense of community, family ties, kinship, culture and traditions. Being nomads, Baggara developed distinctive adjustment to their transhumance life. One of their best known adaptations are their keen understanding of ecosystems in which they live, they know in very intriguing ways how to figure the right time to trek from one place to another, based on their unmatched knowledge about vegetation, animal sounds and migration, insect appearance or disappearance, and celestial objects movements such as constellation arrangements, star movements. This book - Baggara of Sudan: Culture and Environment - is written by first hand Baggara man, the author and it delves deep into behind the scene of Baggara way of life, history, their characters, culture, norms and traditions. This book is for scholars, readers and students interested in people culture and their way of life, ethnography,...

### Reviews

*Here is the finest publication I have read through until now. I am quite late in starting reading this one, but better than never. I am just easily getting a pleasure of studying a created publication.*

-- **Morgan Bashirian**

*Comprehensive guide for publication lovers. It absolutely was written really flawlessly and valuable. You won't really feel monotony at whenever you want of your own time (that's what catalogs are for concerning if you ask me).*

-- **Rowan Gerlach II**
