Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

(Ervin Crona)

Dial Books, 1998. Hard cover. Book Condition: New. Buehner, Mark (illustrator). Illustrated. New. No dust jacket as issued. Glued binding. Paper over boards. With dust jacket. 32 p. Contains: Illustrations. Audience: Children/juvenile. From School Library Journal Kindergarten-Grade 3A Following the format of their popular picture book about manners, *It's a Spoon, Not a Shovel* (Dial, 1995), the Buehners now take on behavioral issues. On each double-page spread, readers are given three choices, two of them obviously wrong and quite amusing, and must pick the proper behavior for the animal in question. Situations include promising to do something until a more attractive offer comes along; considering a lie to avoid punishment; wanting to cheat on a test; and being tempted to destroy or litter property. The language is filled with tongue-tripping alliteration and wit: "Run over Rudy's red rubber radio repeatedly. " The large, bright illustrations, executed in oils and acrylics, sustain the text's humor. A group of fish are, literally, in school; a bat reads *Wait Until Dark*; Santa and his reindeer fly across the Arctic sky; and a fish has a packet of Gummy Worms. Children can search the illustrations for the letters of the correct answers and check their responses in the answer key. Many animals are also hidden in each picture. This title will provide ample material for class discussions on moral conduct while at the same time inviting individual readers to pore over the illustrations to discover the many visual jokes. AMarianne Saccardi, Norwalk Community-Technical College, CT Copyright 1998 Reed Business Information, Inc. From Kirkus Reviews The Buehners (*It's a Spoon, Not a Shovel!* 1995, etc.) continue their mission to make learning decorum a giggle instead of a slap on the wrist. In page-long fables, animals such as Ollie the Octopus and Rateesh Rat get into...
