As a child, he claimed visions of a group of advanced entities known as the Brotherhood of Light, whose purpose was to guide human destiny. After a meeting with M. Theon, said to be a representative of the Brotherhood, Burgoyne moved to California and, in company with another contactee Norman Astley, established a new occult order - The Hermetic Brotherhood of Luxor. In The Light of Egypt Burgoyne reveals the Brotherhoods teachings as a series of lessons in two volumes. Volume 1 is a wide-ranging exposition on spiritual wisdom, while Volume 2 explains its attainment, with special reference to astrology. Replete with esoteric wisdom - some unique to the teachings of the Brotherhood - both volumes of The Light of Egypt are designed for the serious occult student, and will reward slow, patient study.
