National Council of Teachers of Mathematics,U.S., United States, 2012. Paperback. Book Condition: New. 290 x 213 mm. Language: N/A. Brand New Book. How can I really help my kid with math? Not just with tonight s math homework, but for life? Homework of any kind can be a headache for parents, caregivers, and children, and for most, math homework is the greatest source of tension. Your child s questions about math homework may have already caused you to ask questions like, What if I don t know the math myself? Adding Math, Subtracting Tension is designed to help you develop a relationship with your child that includes math in a fun and approachable manner while strengthening your child s understanding of this critical subject. This book shows parents and caregivers how to use enjoyable, family-centred activities to complement school math lessons and incorporate learning into daily life. It is filled with age-appropriate material on the topics that students will encounter in grades 3-5, including chapters on multiplication, division, geometry, fractions, decimals, and much more.
