Deke Jones finally has a car ready to compete in the Conquistadora short but grueling campaign covering racetracks all over the Southwest United States. He cant wait to challenge the rich boys with their expensive toys, but complications begin stacking up on him before the first flag drops. First, he is invited to join Stormin Normans new rock band for a whirlwind tour. Its a once-in-a-lifetime opportunity to play with a musical genius and he cant let it pass but its scheduled for the very week he needs for last minute wrenching so his car can make the Conquistadors tech inspection. Next, he gets tangled up with beautiful bad girl Lena Castillo, just when he was patching things up with a local lady he lost touch with after high school. Lena has a deadly superpower: the ability to turn any man stupid and Deke Jones is no exception. Jones also crosses paths with five-time Conquistador champ Bob Tilford, and theres bad blood between them from the starting gun. It was going to be challenging enough racing against Tilford with his big-time sponsors, high-dollar mechanic and world-class GT car, but Tilford also has tremendous influence over race officials he doesnt hesitate to use in his grudge against Deke Jones. To keep it all interesting, Dekes co-driver bails on him at the last minute, with no time to scrounge up a replacement. Get your motor runnin. Deke Jones is gonna close this summer out with a bang, one way or another. This item ships from La Vergne, TN. Paperback.
