

## To Be a Friend Is Fatal: The Fight to Save the Iraqis America Left Behind (Paperback)

Filesize: 8.39 MB

### ***Reviews***

*A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.*

*(Prof. London Gerlach)*

SIMON SCHUSTER, United States, 2014. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. The searing ( *The New Yorker* ), must read ( *The Philadelphia Inquirer* ) memoir of one of the few genuine heroes of America s war in Iraq (Dexter Filkins). In January 2005 Kirk Johnson, then twenty-four, arrived in Baghdad as USAID s (US Agency for International Development) only Arabic-speaking American employee. Despite his opposition to the war, Johnson felt called to civic duty and wanted to help rebuild Iraq. Working as the USAID s first reconstruction coordinator in Fallujah, he traversed the city s IED-strewn streets, working alongside idealistic Iraqi translators--young men and women sick of Saddam, filled with Hollywood slang, and enchanted by the idea of a peaceful, democratic Iraq. It was not to be. As sectarian violence escalated, Iraqis employed by the US coalition found themselves subject to a campaign of kidnapping, torture, and assassination. On his first brief vacation, Johnson, swept into what doctors later described as a fugue state, crawled onto the ledge outside his hotel window and plunged off. He would spend the next year in an abyss of depression, surgery, and PTSD--crushed by having failed in Iraq. One day, Johnson received an email from an Iraqi friend, Yaghdan: People are trying to kill me and I need your help. That email launched Johnson s now seven-year mission to get help from the US government for Yaghdan and thousands of abandoned Iraqis like him. *To Be a Friend Is Fatal* is Kirk W. Johnson s truly incredible (Ira Glass) portrait of the human rubble of war and his efforts to redeem a shameful chapter of American history. It is difficult to imagine a book more urgent than this ( *The Boston Globe* ).
