HELPFUL HINTS FOR EDUCATORS OF STUDENTS WITH AS, HIGH-FUNCTIONING AUTISM AND RELATED DISABILITIES (PAPERBACK) ebook.

AAPC Publishing, United States, 2006. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Children and youth with Asperger Syndrome, high-functioning autism (HFA), and pervasive developmental disorders - not otherwise specified (PDD-NOS), and related exceptionalities have great potential, but all too often their abilities are not realized. Simple Strategies That Work! provides ideas and suggestions that teachers can use to help a student with AS/HFA on the road to success. The book discusses problems that arise in the classroom and how teachers can adjust the classroom to accommodate, while not interfering with normal classroom routines. Not bogged down with jargon, the book includes tables and boxes for quick reference and clear meaning. Also included in this title is information on what can cause anxiety for the AS/HFA student, how this can lead to decreased academic and social performance, decreased attention to task, and potential increases in behavior problems, and what the teacher can do to assist.
