Excerpt: .over the subject-matter; that, while there are some subjects embraced within the commercial power of Congress, which require a general or uniform rule, applicable alike to the whole country, the nature of the power itself does not render it exclusive in the federal governmentf for all purposes, and, that some of the subjects of the commercial power are temporary and local in their nature, and may be regulated by the States, until Congress shall, in the exercise of its paramount power, cover the same ground, by such legislation as it may deem appropriate to enactj: upon the subject. To these limitations of the power of Congress to regulate commerce, growing out of the nature of the subject-matter of the power, it has also been held, that, whatever may be its extent, it cannot be exercised, by the federal government, so as to create a monopoly,...
