

Beyond the Ruins

By Marco Micone, Jill MacDougall

Guernica Editions, Canada. Paperback. Book Condition: new. BRAND NEW, Beyond the Ruins, Marco Micone, Jill MacDougall, Montreal during the 1970s surge of nationalism and an abandoned Italian village in the latter 1980s -- this work describes subjects who are themselves crossed by cultural and political contradictions. Caught in the rush of history and desperately seeking personal connections, the five characters evoke the immigrant's cleavage and post-colonial paradox: because of the symbolic anchors, one can never really leave home; because 'home' and the subject are continually shifting, one can never return. (3 men, 2 women).

Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Aliyah Mayer**

Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).
