And he points out the equal mistakes of others. We try to predict history. Something unforeseen shoves the current off its immediate descent. To say that nothing has been learned since Marx is as if we said nothing was ever learned before Marx. To speak of Socialism as German or French or English, or anything else, as if limited in its origins, is to rob it of its indisputably universal genesis. VWhen you say Socialism can only come from the bottom or can only come from the top. When you say the bottom s no use. When you say the top s no use. When you exclude the so called intellectual by saying proletarian alone. When you exclude the so called proletarian by saying intellectual alone. When you make too much of culture or ignorance. You find Walling always...
