Golem Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Mother s Steps: A Meditation on Silence is the novelist Mark Jay Mirsky s attempt to understand the life of a mother who was reluctant to tell him any details about her family or herself. Concealing much of her strong affection for her son, she began to reveal it after learning that she was dangerously ill. The book tries to un-riddle the silence that Ruth S. Mirsky drew over her childhood, adolescence and the first years of her marriage. She remained a mystery to her son after her death at the age of fifty-six in April of 1968. Why had she spoken so little about her mother and never about her father? The subject had been taboo while she was alive and even Ruth s husband, Wilfred, the author s father, was puzzled when asked. Spending many hours beside her bed in the hospital through her last six months of life brought her son together with his mother in ways that he had never expected. In her final weeks, she asked her son if her illness was fatal, and he had to reveal what no one else had told her. Aged twenty-nine at the moment of his mother s death, it changed the author s understanding of reality and fiction. It led to his first immersion in Orthodox Jewish prayer as he assumed the responsibility of mourning for his mother and experienced her return to him in the world of dreams. A Mother s Steps describes the process of a son piecing together a narrative of his mother s life to understand her. He began with the extensive photographic albums his mother kept from the age...
