Brand New Book ***** Print on Demand *****.Armenia s constitution provides for a republic with an elected head of state and a unicameral legislature, the National Assembly. The country held a presidential election on February 18, and the OSCE Office for Democratic Institutions and Human Rights (ODIHR) described the election as administered in an overall professional, open, and transparent manner with respect for fundamental freedoms, but marked by shortcomings including an uneven playing field, some serious election day violations, and concerns about the integrity of the electoral process. Authorities maintained effective control over security forces; some members of security forces committed human rights abuses. The most significant human rights problems during the year were corruption and lack of transparency in government, limitations on the right of citizens to change their government, and the limited independence of the judiciary. Allegations of persistent corruption at all levels of government undermined the rule of law, although the government took limited steps to punish corruption by low- and mid-level officials. Despite candidates ability to campaign freely, flaws in the conduct of the presidential election included a lack of impartiality by the public administration, the misuse of government resources to support the ruling party, credible allegations of vote buying, continued shortcomings in the implementation of the electoral code, and a complaints and appeals process that failed to provide for effective redress. OSCE/ODIHR also noted a tendency of significantly better final results for the incumbent in the majority of stations with above-average turnout, indicating possible serious problems with voting and counting which raised concerns about the integrity of the electoral process. Courts remained subjected to political pressure from the executive branch, which resulted in some politically motivated prosecutions and sentencing, and...
