Reviews

This is actually the finest ebook i have study right up until now. I have got study and so i am confident that i will going to read through once again yet again in the foreseeable future. I am happy to inform you that this is the finest publication i have study inside my personal lifestyle and may be he very best pdf for possibly.

(Hobart Anderson II)

START-UP NATION: THE STORY OF ISRAEL S ECONOMIC MIRACLE (PAPERBACK)

Little, Brown Company, United States, 2011. Paperback. Book Condition: New. 168 x 106 mm. Language: English . Brand New Book. START-UP NATION addresses the trillion dollar question: How is it that Israel - a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country s adversity-driven culture, which flattens hierarchy and elevates informality - all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the Israel effect , there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there s never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.
