GRANTA BOOKS, United Kingdom, 2011. Paperback. Book Condition: New. Trade Paperback.. 208 x 150 mm. Language: English . Brand New Book. Set against the rolling backdrop of a century of British history from WWI to the War on Terror , this is a family portrait captured in snapshots. First there is William, the factory lad who loses his life in Gallipoli, then his son Billy, a champion cyclist who survives the D-Day Landings on a military bicycle, followed by his crippled son Will who becomes an Oxford academic in the 1960s, and finally his daughter Billie, an artist in contemporary London. Just as the names - William, Billy, Will, Billie - echo down through the family, so too the legacy of choices made, chances lost, and secrets kept. Rich in drama and sensuous in detail, The Picture Book is a beautifully crafted story about fathers and sons, about fate and repetition, and about the possibility of breaking free.
