The marginal references are to the Parts, chapters and paragraphs of the Report. Notwithstanding all omissions, however, I hope that I may have succeeded in making clear the main intention of the Report. That intention, in few words, is to substitute a vital and organic system of combined public and voluntary assistance for the mechanical routine of the Poor Law on the one hand, and the confused chaos of charity on the other. If this intention is to be carried into effect it can only be by the combined effort of all who are interested in bringing help and strength to the poorer and weaker members of the community.
