Reviews

These types of publication is the best book available. it absolutely was writtern very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.

(Lucas Brown)

LECLAIRE IMAGES OF AMERICA IMAGES OF AMERICA SERIES

Arcadia Publishing. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.1in. x 6.4in. x 0.4in. The Village of Leclaire was founded in 1890 as an experiment in cooperative living by St. Louis manufacturer N. O. Nelson. Small Victorian cottages with electric lights and running water were built by Nelsons company and sold at near cost to promote home ownership. The innovative Leclaire factory buildings were described by reporter Nellie Bly as the ideal perfection of buildings for man to labor in, and workers were eligible for pension and profit-sharing opportunities. An educational building and clubhouse provided venues for a variety of programs including a kindergarten, guest speakers, social clubs, and concerts. A baseball diamond, bowling alley, and boating lake were also available to residents. Nelson believed that conflicts between labor and capital could be resolved if his workers lives were fulfilling. His company town was nationally known for placing the welfare of his workers in high regard. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
