Brand New Book ***** Print on Demand *****.An orphan s dearest dream becomes her nightmare. Until age 9, Sharon had been in an orphanage most of her young life craving a family of her own. Her wishes were granted when her biological mother came and rescued Sharon from a lonely world. Within a year, her stepfather began touching her and her life quickly became a fight for survival. Sharon would not submit easily but survived with her wits alone. Although Sharon is yet a small ripple in a sea of survivors, her experiences will help many to understand the trauma and recovery of small children who live and breathe the sins perpetrated by a caregiver. In 2007, she took a polygraph test (lie detector) and passed as a non-deceptive (truthful person) for the accusations made against step-father. She challenged him to do the same-he refused!
