CRC Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: There are major gaps in knowledge related to surgery in low- and middle-income countries (LMICs). This critical book addresses these gaps by bringing together leading experts in the field who outline the context and provide guidance for surgical solutions in resource-poor settings. Filled with practical anatomy, decision algorithms, and treatment options, the book serves as a core resource for surgeons and anesthesiologists interested in global surgery as well as trainees and those confronted with surgical problems in LMICs to which they are not routinely exposed.
