By Simon Smart

The Smart Method Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 1st New edition. 298 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is very, very different to any other computer book you have ever read. The Smart Method provides an entirely new and better way to learn , C# and Visual Studio. Here are just five of the many ways in which this book is unique: This book won t waste your time by teaching basic skills that you already know. All of that material is covered already in our beginner s Essential Skills book. By assuming that you are already able to use the basic features, far more ground can be covered.Instruction is logically structured into sessions and lessons. While this makes the book ideal for self-instruction, you can also use it to run your own, highly effective, adult training courses.Every lesson is presented on two facing sheets of A4 paper (the pages are much bigger than in any other book).Each lesson has a sample file that models a real-world business problem.Along with programming skills, this book teaches best practices that are often ignored by other books.You ll immediately appreciate the...
