In this memoir, she narrates her escape from an abusive relationship and how she found healing and self-discovery through her faith and trust in God. Love in the Gardens of Macantar delivers a series of personal journal entries chronicling Laurel's journey from codependency, addiction, self-pity, and blame to a life of happiness, contentment, and taking responsibility for her actions. It captures her progress through one year of healing, and it sheds light on Laurel's inner-self, the great significance of her journey, and how she found her true passion in gardening. Inspiring and uplifting, Laurel's testimony offers hope for a prosperous, productive, and fulfilling life after leaving an abusive relationship.
