MALEVOLENCE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Unit was built to contain the inmates that normal prisons could not control. To become a resident all you had to do was to kill in the community and continue to kill whilst serving your sentence. It was supposed to be escape proof but given the nature of the men it held it was inevitable that someone was going to try. After all, it became much more achievable if you didn't care how many died as a result. The author has drawn on his personal experience of working in one of these Units to give us an insight into the workings of the minds of some of the most dangerous men on the planet.
