Wonder Web.Bridging the Sales Void provides a strategy that should turn your thinking upside down in a most positive way as it helps you orchestrate a dramatic growth in your website sales. Featuring a straightforward, logical strategy designed to dramatically increase current and future sales, this book provides no ordinary revelations but rather an innovative and timeless approach to sales thanks to an entirely new concept that enhances website content. Introduced is the missing website link that, in its absence, is the primary reason most websites perform significantly below capabilities. This key component serves as the nerve center of your website. It allows all other website pages to perform optimally with the content it feeds them. Yet no website appears to be currently functioning with the chief sales strategy center of the site in place. This book helps you to fully implement the visionary strategy that will prime every website page to SELL, SELL, and SELL more! Furthermore, you will realize that with engaging and relatable website content, the visitors will actually read a good deal of it. People have grown accustomed to believing that most website content is intolerably boring. As such, sites are growing more image-oriented in an attempt to grab the few seconds of viewer attention span that a visitor expends before moving on, or nodding off. This book exposes the reason for this inattentiveness and lack of sales control over the website visitor. It lays out a simple, elegant strategy to take control of the sales process and, with it, the focus of the visitor; all while positively impacting sales in a dramatic way! Wonder Web compels you to stop, reflect, think and,...
