Harper Perennial. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 7.9in. x 5.2in. x 0.9in. Settling into the responsibilities and routines of adulthood, Dani Shapiro found herself with more questions than answers. Was this all life was a hodgepodge of errands, dinner dates, e-mails, meetings, to-do lists? What did it all mean? Having grown up in a deeply religious and traditional family, Shapiro had no personal sense of faith, despite her repeated attempts to create a connection to something greater. Set adrift by her father's early death, the life-threatening illness of her infant son, her troubled relationship with her mother, she recognized the challenge at the heart of her anxiety: What did she believe? Devotion is a spiritual detective story, a literary excavation to the core of a life. At once poignant, funny, intensely personal, and completely universal, it is the story of a woman whose search for meaning in a constantly changing world ultimately leads her home. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
