

Poverty, Philanthropy and the State: Charities and the Working Classes in London, 1918-79 (Paperback)

Filesize: 6.7 MB

Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

POVERTY, PHILANTHROPY AND THE STATE: CHARITIES AND THE WORKING CLASSES IN LONDON, 1918-79 (PAPERBACK)

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2016. Paperback. Book Condition: New. Reprint. 234 x 156 mm. Language: English . Brand New Book. This book looks at a number of charities in London between 1918 and 1979, and the ways in which they negotiated the growth of the welfare state and changes in the communities around them. These charities - the university settlements - were founded in the 1880 s and 1890 s and brought young graduates such as William Beveridge Clement Attlee to deprived areas of cities to undertake social work. It is of interest to those who wish to know more about the complexities of the relationships between charities, the welfare state and individuals in the course of the twentieth century. Bradley argues that whilst the settlements often had difficulties in sustaining their work with the vulnerable, they remained an important factor between the individual and the impacts of poverty. Aimed at scholars in the fields of history, social policy, sociology and criminology this book will also be of interest to practitioners in the voluntary sector and government.
