Donna Coco, United States, 2015. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.Coordinate graphing with pictures or Cartesian graphing - any way you describe this book, it is still fun! This is the third book in the series of Making Coordinate Graphing Fun. This book is for students, teachers, and anyone who wants to improve their graphing skills. Students will need to solve equations for each plot point in Making Coordinate Graphing Fun: Equations 1. Graphing is fun and some students need a little more practice with equations while other students need a little more assistance with graphing. Accomplish two assignments in one, practice and learning, with Making Coordinate Graphing Fun: Equations 1. Educators, including international educators, have purchased one or more of this series because students, along with the educators, have found this series different, exciting, interesting, differentiated, and educational.
