Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

MY MAD FAT DIARY

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, My Mad Fat Diary, Rae Earl, My Mad Fat Diary is now a major new comedy for E4! It's 1989 and Rae is a fat, boy-mad 17-year-old girl, living in Stamford, Lincolnshire with her mum and their deaf white cat in a council house with a mint off-green bath suite and a larder Rae can't keep away from. This is the hilarious and touching real-life diary she kept during that fateful year - with characters like her evil friend Bethany, Bethany's besotted boyfriend, and the boys from the grammar school up the road (who have code names like Haddock and Battered Sausage). My Mad Fat Diary evokes a vanished time when Charles and Di are still together, the Berlin wall is up, Kylie is expected to disappear from the charts at any moment and it's GBP1 for a Snakebite and Black in the Vaults pub. My Mad Fat Diary will appeal to anyone who's lived through the 1980s. But it will also strike a chord with anyone who's ever been a confused, lonely teenager who clashes with their mother, takes themselves VERY seriously and has no idea how hilarious they are.
