Viking Adult, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: At once a penetrating work of literary analysis and a riveting historical narrative. Nathaniel Philbrick At once a penetrating work of literary analysis and a riveting historical narrative, Hobson Woodward's *A Brave Vessel* reveals the salty survival tale at the heart of Shakespeare's New World masterpiece, *The Tempest*. Nathaniel Philbrick, author of *In the Heart of the Sea* and *Mayflower* On the 400th anniversary of the Sea Ventures wreck on Bermuda, Hobson Woodward recounts the events and personalities of the voyage, the island refuge, and the early Jamestown Colony. He tells the story with accuracy and verve, and makes a compelling case for Shakespeare's indebtedness to William Strachey when writing *The Tempest*. Woodward's *Brave Vessel* is learned, lucid, and engrossing. Alden Vaughan, Professor emeritus of History at Columbia University and coeditor of the Arden edition of *The Tempest* *A Brave Vessel* is a real-life story of heroism and human ambition as thrilling as any Hollywood fiction. Injecting popular history with a wealth of little-known detail, it traces a fascinating story of unlikely survival and the impact a single, freak event in the mid-Atlantic had on the fortunes of America's birthplace and the world's greatest playwright. Woodward immerses us in the mindset of 17-century colonists and the immense challenges and tragedies of their endeavor. He entwines true events with their literary spin-offs, and in doing so, brings both to life. Rosemary Jones, author, *Bermuda: Five Centuries*.
