Do you know how to take care of a sick family member at home? You might have to if the healthcare system fails. Within a month our hospitals might become overwhelmed and collapse, then we ll be on our own. We ll teach you Ebola decontamination procedures, and how to set up a treatment facility for your family. Most important, we ll show you how to treat the disease without getting ill yourself! We ve adapted the protocols used in Africa to work for preppers here in America. Our book is short and to the point. It s about surviving the next American Epidemic!.
