Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The philosophy of education is a very neglected field of philosophy, not to mention the theological contemplation of the philosophy of education. That said, maybe education is such an integrally part of philosophy, and philosophy pure education, that philosophy itself is a philosophy of education. Bringing theology to the ball game, if God is an integrally part of everything, since God is not only the fountainhead of everything but also the sustainer of everything, then education is all of life, and all theology is education. The metaphor (word picture) that seizes this notion is the Hidden Curriculum. This is precisely the Ancient Near Eastern (ANE) Hebrew worldview of education with the Shema (Deuteronomy 6:4-9) par excellence, of which the African philosophy of Ubuntu is a current and graphical instance of how this education motors. This book proposes a new metaphor by merging the Scriptures with the new tribalism of 21st century s social media. Three millennia after the ANE modern technology has completed a circle to take us back to the tribalism of sitting around the campfire again,...

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
