BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 50 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed the Armys family of medium tactical vehicles (FMTV) acquisition program, focusing on: (1) the feasibility of meeting program and fleet management goals under the Armys 30-year acquisition strategy; (2) the Armys consideration of other medium truck alternatives; and (3) possible cost-effective alternatives. GAO found that: (1) the Army will have difficulty meeting FMTV program and fleet management goals, since it extended its acquisition strategy due to funding limitations; (2) the Army will have to modify its FMTV acquisition plans, since automotive advances will make new vehicles obsolete; (3) the Armys acquisition strategy may hamper field operations, since the aging medium truck fleet will not be replaced until 2012; (4) the Army will have to replace the initial FMTV trucks procured, since their economic useful life will be exceeded before the programs end; (5) the Army has not included the costs of replacing the initial FMTV trucks in its total FMTV program cost estimate; (6) the Armys original assessment of program alternatives was limited due to incorrect cost and weight data and its failure to consider several lower cost alternatives; and (7) expected force structure changes and reductions could significantly reduce the Armys FMTV requirements. This item ships from La Vergne, TN. Paperback.
